Five years ago, a man came to Governor Dummer to teach, but with intentions of moving on after a brief stay. After receiving his degree in Mathematics from Northeastern University in 1963 and his Masters two years later from the University of Massachusetts, his career has been highlighted by brief employment: two years with the Peace Corps in Africa; a teacher for three years in Lebanon. He travelled about, never settling down. He has not left here, however, for he has been taken by the Academy, much as it has been taken by him. A rare individual whose genuine concern for the well-being of his students has never lessened, he has served as a dedicated Freshman Class Advisor and an untiring leader of the Outing Club. What he will be remembered for most, though, is the manner in which he has enriched each one of us with his own knowledge. For this, we thankfully dedicate the 1981 Milestone to:

There is a knowledge which is desirable, though nothing come of it, as being of itself a treasure, and a sufficient remuneration of years of labor.

John H. C. Newman

"Then now, my dear Lysis, I said, you perceive that in things which we know every one will trust us, we may do as we please about them, and no one will like to interfere with us; we shall be free, and masters of others; and these things will be really ours, for we shall be benefitted by them.

But in things of which we have no understanding, no one will trust us to do as seems good to us- they will hinder us as far as they can; and not only strangers, but father and mother, and the friend, if there be one, who is dearer still, will also hinder us; and we shall be subject to others; and these things will not be ours, for we shall not be benefitted by them."

Plato

"Now Sargent, you're not being rational."

Welsh-Rabbit?

The job isn't over 'til the paper work's done.

Man at his best, like water,
Serves as he goes along:
Like water he seeks his own level,
The common level of life.
Loves living close to the earth,
Living clear down to his heart,
Loves kinship with his neighbors,
The pick of words that tell the truth,
The even tenor of a well-run state,
The fair profit of able dealing,
The right timing of useful deeds,
And for blocking no one's way
No one blames him.

MUSIC and MODERN DANCE

The year of 1980-81 was an uplifting and rewarding one for the Arts here at the Academy. Strong and steady improvements marked the whole year, and rapid growth and new talent has greatly improved the quality of productions put on at G.D.A.

The first major concert was during the second half of the fall term. Students taking music lessons in such things as piano and voice were given a chance to show everyone what the could do. Groups such as the Academy Singers and the Jazz Band entertained the audience with varied works ranging from classical to contemporary pieces.

The winter musical saw something new — " The Best of Broadway". Instead of one main theme, various numbers were picked from different Broadway musicals. This gave more people a chance to be involved in it, and to show what enormous talent they have. The show was a smash hit, led by Ms. Soloway, who put countless hours towards the final product. The pit band did a marvelous job providing professional accompaniment to the musical. The format of the show facilitated the easy integration of both music and dance, which have become so much a part of each other in the past year.

Later in the winter, the commu-

nity was entertained by the Modern Dance troupe. During the winter season, the girls were taught new steps and new techniques. The end result as seen during the first week of March when a recital was given. Under the direction of Pamela DelGenio, the program started out with over 30 girls, some of whom had to be cut because of a particular lack of space. This year, cuts weren't made by class, but by talent. This way, many talented underclassmen were allowed to participate.

The Spring term was a time when many new dimensions were added to the Arts program. The Spring Concert was another feather in the Music Department's cap. Held over the span of two days, the program began with the entrance of the "Blues Brothers" (John Krigbaum & Dan Geffin) and the Jazz Band playing the Blues Brothers theme song. From there, varied musical talents were displayed. Dubiously notable was the introduction of the new school song appropriately named "G.D.A.". Response to this song was more of amusement than anything else.

The Music Department experienced a number of positive changes this year, most important of which was the new - found complimentary performance of the Dance Company. Hopes have it that next year will be as good.

STUDIO ART and PHOTOGRAPHY

Like Music and Modern Dance, Studio Art and Photography both received a boost this year, primarily through encouragement by the School Administration. Terms for Artistic Experimentation were granted in greater numbers, causing the Cobb Room display boards to be in constant use and heightening the success of the annual Art and Photography shows. The addition of the Freshman Fine Arts program initiated the appearance of more work from the basement of Thompson than in the past few years.

The Studio Art program was in a sort of limbo this year, with the promised renovation of the old Stone Garage by Moody still hanging over the head of the Administration. When it is completed, it will provide a much roomier and better-situated gallery. In the final exhibit in Parsons, a number of seniors displayed their skills in working with acrylics with interesting and lively results. Sue Plante's beautiful works were appreciated especially by highly discerning art eyes.

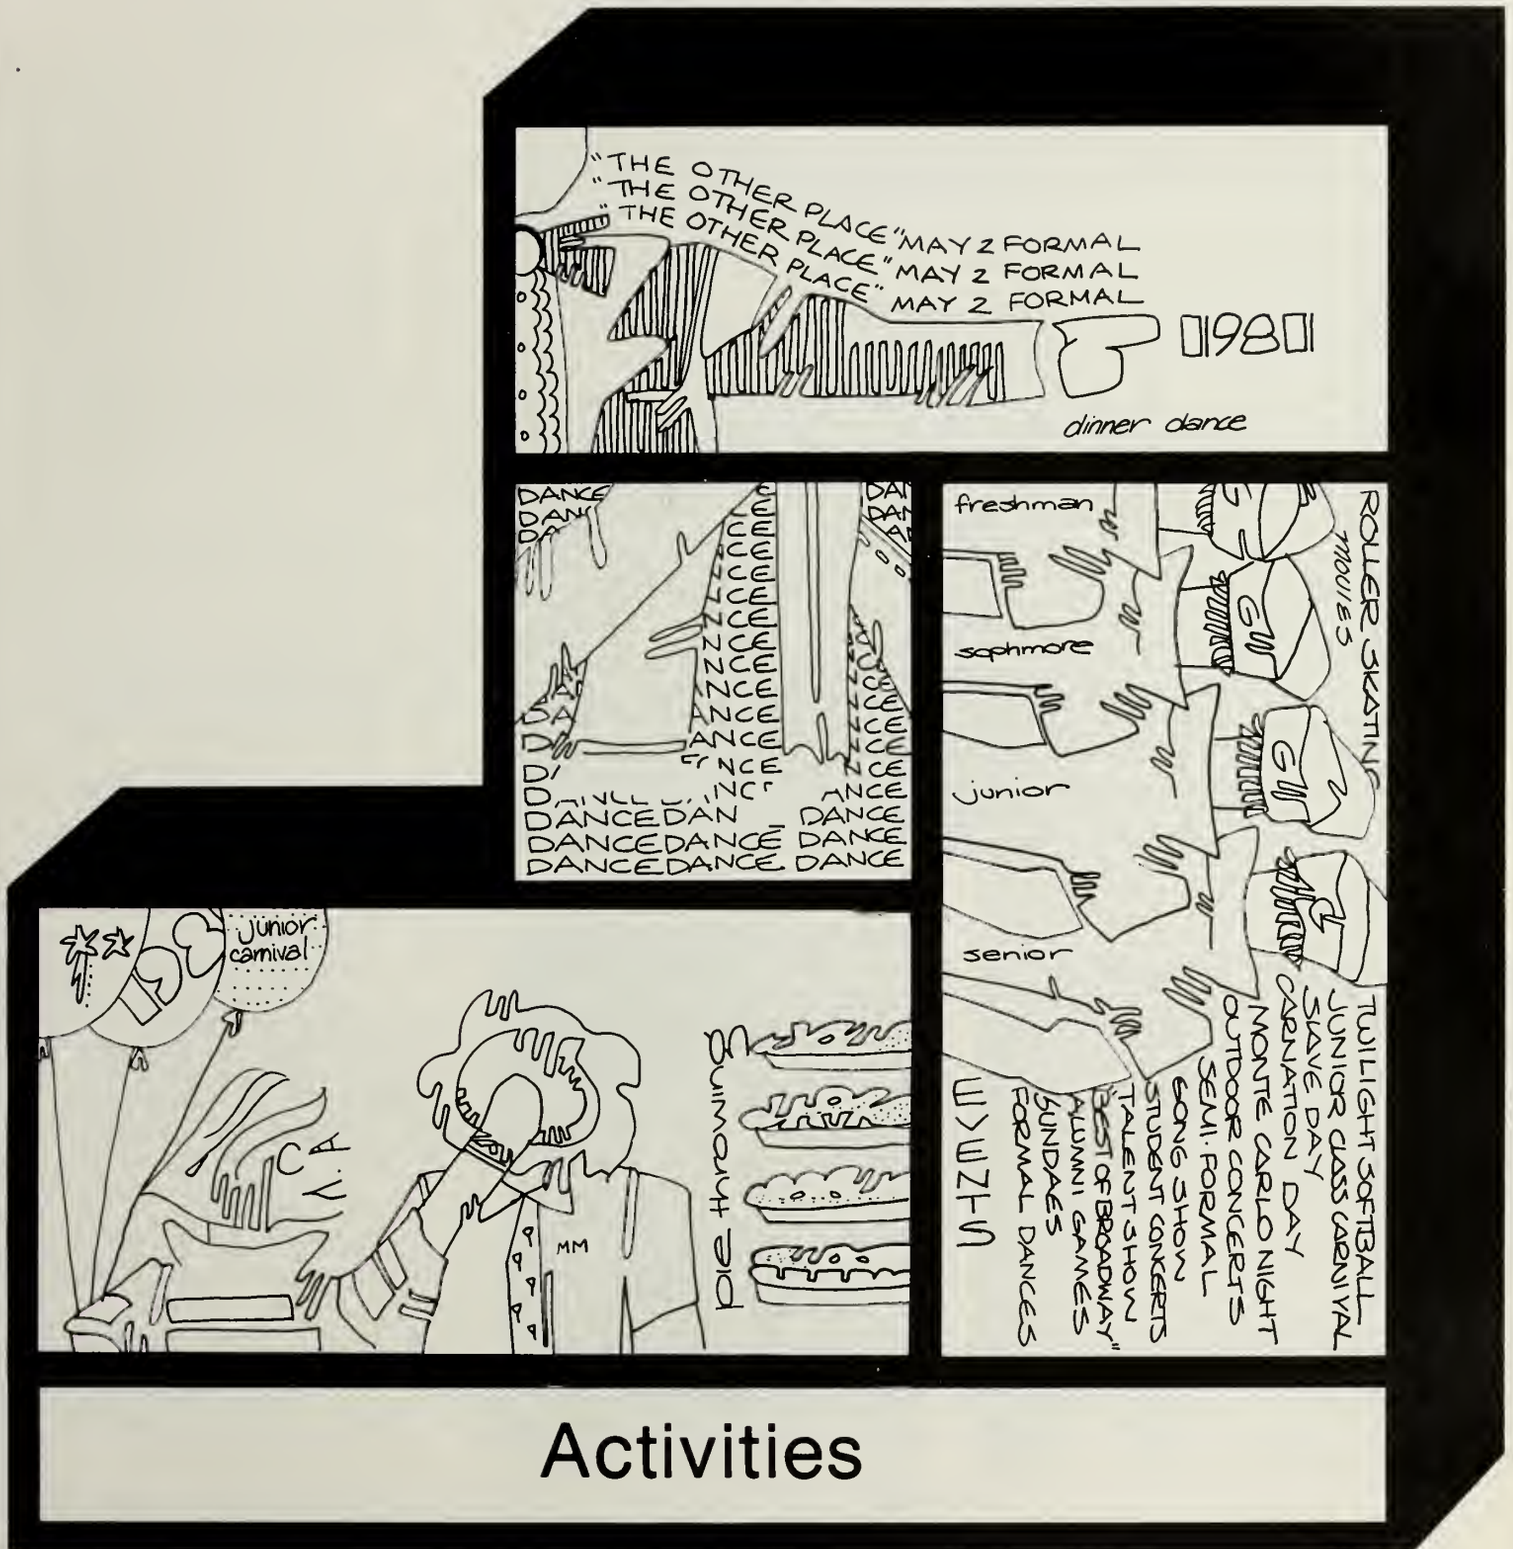

Big changes abounded in the Photography program, notably with a new instructor, Frances Young. She brought fresh ideas and made many necessary repairs on the school's thirty-five year old darkroom. The Spring Photo Show in Parsons showed great diversity and well defined the abilities of the students. During this time, the fine photographic work of David Critics, Ben Frost, and David Brackbill filled the Cobb Room, leaving little room for the photo contest entries.

This year was one of expansion and rebuilding for all the Fine Arts, but especially for the Graphic Arts. Hopefully, the Stone Garage will become the center of G.D.A.'s studio art very soon and will lead the way for the photography department.

CROSS-COUNTRY

Harriers Start Rebuilding Momentum

Captain Woodbury & Coach Abusamra

This year's Cross Country Team began officially with pre-season workouts the week before school started. They actually started long before that by running over the summer. Many new talented runners arrived in September as well as veterans. The season looked very promising with a newly made 5 km. home course that Mr. Abusamra and Mr. White had spent hours to prepare.

The team worked very hard all fall. Strenuous workouts were the standard fare. Occasionally the team made a trip to Plum Island to run in the sand for conditioning. The hard work paid off for the team which posted a .500 record, the best in years. Teamwork and spirit were very much in evidence during the season. Often there would be only a few seconds time between each finisher's time.

Two standouts of the season were sophomores Andy Barton and Greg Skaff who were named to the first ever Independent School League Team for Cross Country. They both set a new course time at Lawrence Academy.

M.V.P. Barton

It was really teamwork that won the races. Without the whole team working together, they could not have posted such an improved record. Everyone counted and it showed. With returning lettermen, next year promises to be even better.

First Row: P. Parry, G. Shalek, D. Ryan, M. Woodbury, M. Sadeghi, H. Moore, J. Cole. Second Row: Coach White, G. Skaff, D. Agger, J. Stahl, B. Calder, A. Barton, C. Ginsburg, C. Cashin, P. Appleton, J. Lancaster, J. Giantis, Coach Abusamra.

FIELD HOCKEY

Improvement Made Through Unity

Co-Captains Meehan & Leary

Coach Clark

Team spirit and enthusiam were the factors essential to the success of this year's Field Hockey team. Beginning with pre-season workouts in September, the team worked diligently under the tutelage and patience of Ms. Clark, ending with an even record, the best since the undefeated season of 1976.

The team's spirit was especially shown by their performance of Queen's "Another One Bites the Dust" at the pep rally. On the field, they started out strongly, led by co-captains Joanne Leary on defense and Tracy Meehan on offense. In their first six games, they amassed a total of sixteen points versus only seven by the opponents. Although the team was successful, their spirit seemed to decline which caused losses in a number of close games, preventing a winning season. Their enthusiasm was regained only after the season had ended, in a game against the Men's Varsity Field Hockey team (organized by Steve Oldfield), from which the men emerged the surprise victors of a close contest.

The team's unity was prevalent throughout the season however, as exhibited by the efforts of individual players such as co-MVPs Meehan and Kathy O'Leary, who tended the goal. Their inspiring play encouraged the others to retrieve what might have been a losing season. Players like Stacy Hayes, Sarah Breed, Cynthia Pfeiffer, and Rebecca Lapham were outstanding for their especially aggressive play. The season itself was outstanding, although it ended on a disappointing note. The team has great expectations for the next season, as there are many returning letterwomen. Great steps of improvement were taken this year, and they should continue.

FOOTBALL

Pride Pulls Team Through

Tri-Captains Bostwick, Pingree (MVP), & Morison & Coach Rybicki

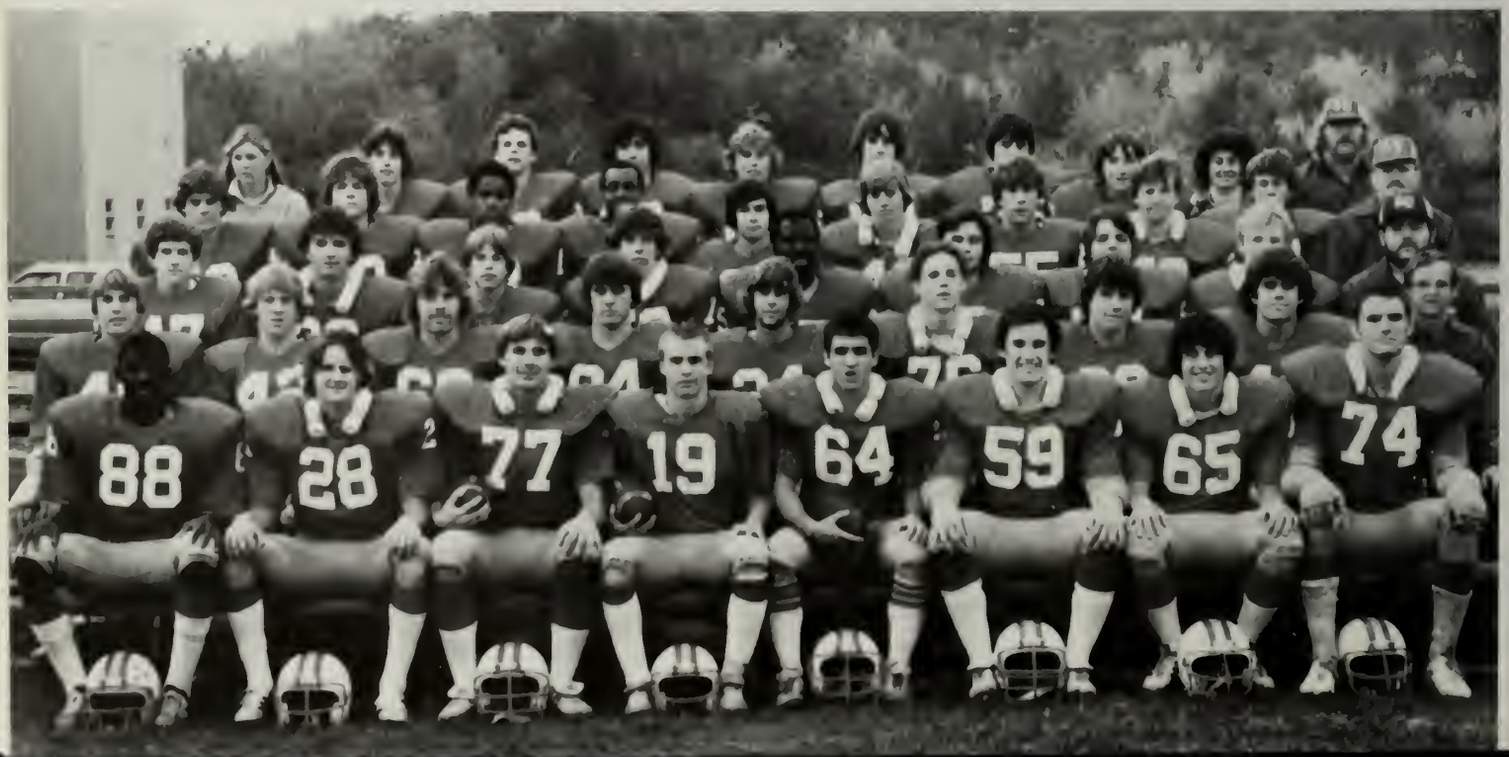

In looking back at this year's football team, one word stands out; Pride. They suffered through some of the most trying moments experienced by any team, losing some games that they should have won, but fighting back with all their hearts to win the games that they did.

Tri-captains Andy Morison, Jon Pingree, and Gary Bostwick led the team through its hard times with inspirational play. When the team was beaten by a last-second score by Brooks, the captains pulled the team together. The following week, Pingree carried the Governors to an impressive victory over Groton.

In the long run, it was teamwork, not individual talent, that insured the success of the team. People like Paul Carter, who gave everything, even during practices, helped create this style of play. David Shula pulled in quite a few passes, and John Parker continually scrambled for big gains. Bostwick and Keller Laros consistently flattened their opponents, while Terrence Talley ran around, through, and over his foes to bring the ball even closer to the endzone. No single player was expected to do all the work, so each did some of the work.

Although this was not one of the Governors' most victorious seasons on the gridiron, it was one of which the whole team was justifiably proud. Throughout adversity, they kept their heads high, and when it was over, they remained proud.

MEN'S SOCCER

Steady Defense Keeps Team Going

Captain Tommasi and Coach Mulligan

Although their record was not impressive, the members of this year's varsity soccer team enjoyed every minute of the season. Together, they developed good soccer skills, learned how to successfully work as a team, built great friendships, and shared a strong sense of pride. The positive attitudes of coaches Mulligan, Cole, and Snyder, manager Sherman Horton, and captain Tony Tommasi added encouragement throughout the season.

Pre-season practices began well and seemed to promise a successful record as they beat Andover's "B" team and tied their "A" team. Although the Exeter game ended in a defeat, they had hustled and given 100% of their effort during every minute of play. The spirit and devotion displayed in this first game continued. Consistent hard work became the team's most valuable quality.

The strongest part of the squad was the defense. These players kept them within reach of many victories by continually feeding the offense and stopping some of the best players in the league. Star defense players were captain Tony Tommasi, Mike Menyhart, Dave Schwartz, and Mark Hefford. Making some unbelievable saves in net and cheering on every teammate, Doug Brown helped keep the team together.

Talented halfbacks and forwards were always admirably trying to penetrate the other team's defense. The offensive half of the team included Tim Stetson, Bobby Low, Steve Nicholson, Jon Andrews, Rob Breed, Jamie Stone, Chris Laganas, and Dave Brown. Their efforts should not go unrecognized for in many instances they were just unlucky with crossbar shots and far corner shots that just barely missed the net.

It is too bad that their record did not truly reflect the potential of the team. An example would be the last game, against the league's first place team, Belmont Hill, in which GDA outran and outplayed them for an extremely close game. Being able to come so close to victory proved that the team was powerful, well united, and talented, despite a losing record. The season ended with a feeling of dissatisfaction, yet accomplishment for the improvement and good experiences. The season was rewarding and memorable.

WOMEN'S SOCCER

The Untouchables

Coach Guarino, Co-Captains DeGan & Perry

UNDEFEATED!!! UNTIED!!! Thirty-six goals for and three against! The statistics could speak for themselves. This year's Women's Varsity Soccer Team was certainly successful, but their achievements did not come without hard work.

Sundry running drills supplemented the regular rigorous team practices. "Stat" drills, followed by zig-zags, shooting on net, and dribbling drills were trying. Many of the athletes came out of the first week of practice sore from head to foot. But they came back the second week for more punishment.

The skills of the players also contributed to a winning season. Sally DeGan and Sue Perry, both returning lettermen, co-captained the team. These captains were true leaders as the other girls could look up to their diligence and soccer ability. Sally was the season's high scorer with sixteen goals. Sue Perry was one of the strongest players on the team. Switching from offense, Sue spent this year as left fullback. She was a most aggressive defenseman and netted a goal, an unusual feat for a defenseman. Claire Dober starred as the right fullback. When the fullbacks needed backing up, Sarah Sullivan, the team's goaltender was called to duty, allowing opponents but three goals. Kitty Rahbany as sweeper and Karla Austen at mid-stopper helped to keep the ball upfield.

M.V.P. DeGan

First Row: K. Austen, B. Lazo, S. Perry, S. DeGan, A. McCullom, L. Krooss. Second Row: Coach Guarino, B. Perkins, L. Higgins, A. Boisvert, K. Rahbany, S. Sullivan, C. Dober, C. Eveleth, D. Shula, L. Louden, Manager J. Bateman.

A strong defense helps generate a strong offense. The outstanding front line of Laurie Krooss, Lisa Louden, Benay Lazo, Bonnie Perkins, and Ann McCullom combined good passing and accurate shooting to put the Governors out in front to stay in every match. Success came more easily with strong support from the bench. Even team manager, Jane Bateman, cavorting as "Super Gov" or carrying on her duties contributed to the joy of the season.

But without the knowledgeable and concerned coach, the team would never have performed as it did. Coach Guarino's ability to handle people and develop great strategy was the key to success. Every member of the team is grateful to her for the great job she did this year.

Go for it Sue!

Winter Sports

A time for Winter, a time for Winning

WOMEN'S BASKETBALL

Victory Was Fundamental

This year's Women's Basketball team was by far G.D.A.'s most successful. Its outstanding record is the result of team skill, cooperation, and enthusiasm. This and a primary focus on the game's fundamentals helped hold the team together and assure them of a winning season.

The starting line consisted of four of last year's starters and a rookie. Sue Perry, in her fourth year of varsity play, led the team in scoring and was named MVP and All-League. Her strong drive to the basket netted many points and she scored equally well from the foul line. With all her skill, though, Perry's most outstanding characteristic was her dedication and devotion to the game.

Captains Rahbany, von Henneberg, MVP Perry, Meehan, Sullivan, & Coach Gosselin

Tough defense was key to the success of the team, and the work of Antea von Henneberg and Tracey Meehan was indispensible. Combined with her rebounding at both ends of the court, von Henneberg's defense stopped many scoring drives of the opponents. Meehan was one of the most aggressive players on the team, often literally grabbing the ball out of her opponent's hands.

A second All league player, Sarah Sullivan, is best remembered for her fast breaks and unbelievable lay-ups, which added greatly to the team's offense. Her strong concentration on defense allowed other members of the team to rely on her and play a more relaxed game.

Sally DeGan, playing in her first year on the team, made a name for herself through her overall solid game. Her sharp passes and speed helped keep the team moving at a fast pace. Allison Miller was highly dependable and could play any position. She was always moving, cutting in for a pass or preventing

one by the opponents. The remaining members of the team, Claire Dober, Sloane Tyler, and Kitty Rahbany, contributed to the team through their enthusiasm. Dober, suffering an injury throughout the season, did not see much playing time, but has a bright future. Tyler, another promising player, scored many points this season.

The most enthusiastic member of this year's team, though, was Coach Gosselin. Putting in many hours coaching a sometimes uncoachable team, Gosselin's dedication to basketball set an example for the girls to follow. His enthusiasm and that of the players insured a victorious season, and one that next year's team hopes to repeat.

MEN'S BASKETBALL
Talent & Determination Bring Success

Coach Tindall & Captain Talley

In a season that was perhaps expected to be meant for rebuilding, the Men's Basketball team experienced great success. The team having lost four of last year's five starters, neither coach Tindall nor Captain Terrence Talley felt as sure of its success as they had been the previous year. Through a fierce competitive sense and outright talent, though, the team overcame its inexperience and grew confident because of its numerous victories.

The leader throughout each of the Governor's games was undoubtedly Talley, an All-League player who won the league scoring crown with a 24.6 points-per-game average. Talley scored his 1000th high school career point halfway through the season, only the second G.D.A. player in history to achieve that feat. Although explosive offensively, he was also a tenacious and greatly feared defender.

The other "inside" threats were Todd Darden and Marc Rasbury. Darden snared many rebounds and scored many points by outmaneuvering and outjumping his opponents, while Rasbury did the same, creating havoc under the boards with his agility and sheer strength.

The second All-League player on the team was sophomore phenom André LaFleur, whose ball-handling and shooting skills gained

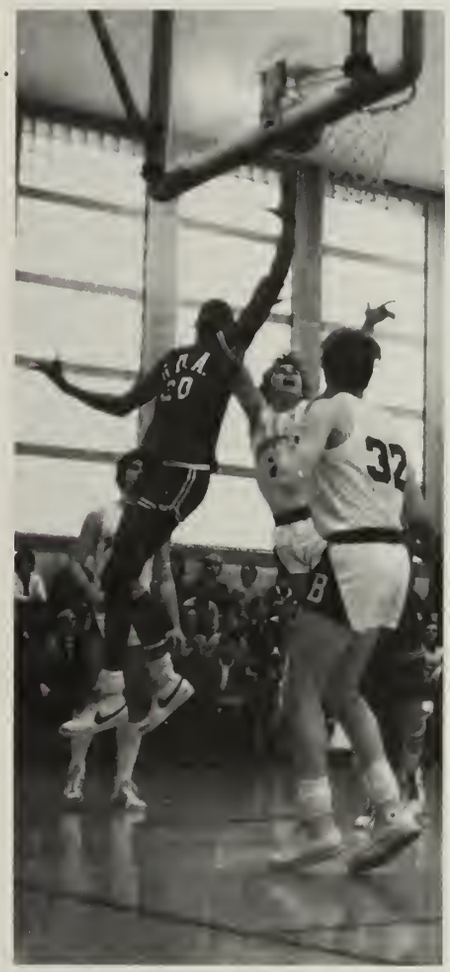

MVP Talley

him a fabulous reputation in the league and beyond. Rounding off the starting five was Tony Tommasi, who continually amazed opposing teams with his long-distance shooting ability. Tommasi added greatly to the team with his hustle and determination.

The spirit of the players off the bench was one of the factors essential to the success of the whole team. Seniors Paul Carter and Jay DiIorio played key roles in many of the games, as did juniors P. J. Shoulla, Ted Larned and Jon Andrews.

Ironically, the Governors found one of their greatest successes not in victory, but in one of their two losses. In the New England Championships, a well prepared Brooks team controlled all aspects of the game, and with two minutes to play, led by twelve points. Their fate seemingly sealed, the Governors rekindled the fire that had briefly died, and fought back gallantly to within two points. They gave their effort too late though, and lost. The victory was Brooks', but the pride was still G.D.A.'s and the team looks to the future with anticipation of continued success.

CROSS-COUNTRY SKIING
Team Finds Snow . . . And Victory

Co-Captains Kennedy & Critics, & Coach White

This year's Cross Country Ski squad experienced the whole gamut of winter weather conditions, from running on grass in sixty degree weather to a minus fifteen degree wind chill factor while skiing on snow.

The season started out on a positive note with early snow. During pre-Christmas training, the roller skis received much hard use as did the grass and roads around campus. Such running stars as Tim Stetson, Mark Miller and Sarge Kennedy met stiff competition from new-comers Ann Rooney, Tom Malay and Bart Calder.

Christmas vacation, eighteen G.D.A. skiers of all skill levels attended a ski clinic hosted by Waterville Valley and arranged by the Nobles coach. At the first race, a 2 km. sprint at Groton, the Varsity took second, its best placing in many years. J.V.s placed second also, while a young and inexperienced girls' team began to cast a base to build on.

The pinnacle of the season came at the only ISSA Championship meet of the year. In the best performance of a G.D.A. Varsity team since 1972, Stetson and Kennedy came in eleventh and seventeenth, respectively, while Boyd, Brackbill, Critics, and Calder grouped in the lower twenties. Overall, the team placed fourth of nine, an amazing rise from a previous seventh two seasons ago. The J.V.s stunned even more people with a secure second place with Miller, Menyhart, Brown, and Horton Clumping for a strong finish.

The last meet skied was held on G.D.A.'s own golf course. The results of a short 3.5 km. race reaffirmed the strength of the men's teams, and the improvement of the women's team. The girls came in a strong second. While the Varsity took first, second, fourth, fifth, and sixth places, the J.V.s shut out the opposition by taking places one through five. This was the best meet of the best season in Coach White's five years, and there is no sign that the team's strength should lessen over the next few years, with only four seniors leaving. The rest will return in force to take on all the ISSA!

HOCKEY
Outstanding Season Through Spirit

Co-Captains Pingree & Teel & Coach Harrington

The 1980-81 Varsity Hockey team had an outstanding and memorable season. It began with high expectations from the players, whose philosophy throughout the season was "play our style and never give up." Coach Harrington inspired his team by exhibiting confidence in both the talent and the determination of the players. Through his guidance and reassurance, the team set out to prove that G.D.A. Hockey has changed over the years.

The high point of the season was winning the Exeter Christmas Tournament. It was the first ever for the team. To add to the excitement, Peter Brandli, Tom Johnson, and Jon Pingree received All-Star honors. It was an incredible season during which only two away games were lost, a feat never before accomplished by a G.D.A. team. The crowning glory was the fact that the team was able to place fourth in their division, when at the beginning of the season they had been expected to be next to last.

The team worked long and hard, breaking many of the school records. A major standout was Pingree who broke such records as the most assists and most blocked shots for the year. Pingree was named MVP and was unanimously selected to the ISL All-League first team.

What makes the success even more amazing was that the team had to battle the weather while playing on their uncovered rink. The last few games were especially difficult because of a lack of practice time due to melting ice on the rink. The season will be remembered for a long time to come and it is hoped that next year's team can be as successful.

VOLLEYBALL

Concentration and Enthusiasm Key

Coach Clark, Captains Ingram, Lazo

The mentally demanding sport of Volleyball tried this year's team's stamina and strength, but they proved conclusively that they were capable of meeting those demands. Their fine record came as the result of intense concentration and devotion to the game. Led both on and off the court by Co-Captains Vinca Ingram and Benay Lazo, the team responded with enthusiasm and undying spirit.

Come-from-behind victories were the trademark of this team. In their first match of the season, they defeated Milton in the first game, but trailed nine to two in the second. Calling on their skills learned in practice, they came back to win fifteen to twelve. That was the first time that a G.D.A. Volleyball team had ever beaten Milton away from home.

Sizzling serves and spikes were the fare that opponents were forced to stomach. Karla Austen often came through with pressure serves and Cornelia Woodworth was always poised at the net, ready to spike the ball or block shots back into the opponents' faces. The consistant play of the remaining members of the team provided a strong base from which the team could work.

M.V.P. Woodworth

Finding a successful balance between seriousness and silliness during games and practice produced more than just a good record. It left fond memories with each of the players and a hopeful anticipation of next season.

TRACK

Improvement Made But Still Needed

Although the 1980-81 Winter Track squad did not have a winning record, the team performed admirably throughout the season. Under the watchful eye of Coach Eastman, virtually every runner improved his personal record as the season rolled on. The dual meet season began with several trips to Beverly High School, where the team ran well, yet came up short every time.

In later practices, the Govs travelled to Beverly to work on the indoor track. The frigid weather was cause for many stiff and aching muscles, so the entire team was thankful to take refuge inside a warm building.

The highlight of the season was the interscholastic Meet held at Moses Brown. The team brought a total of eight varsity runners and came home with five ribbons. Captain Mark Woodbury captured fifth place in the mile and also ran very well in the 1000. Phil Parry placed fourth in the 1000. In the two mile run, perhaps the toughest event of the meet, Nick Valhouli and Howard Moore took fourth and fifth places, respectively. Other team members that competed were Charlie Cashin, a freshman with great potential; Bob Sterge, Jerome Sweeney, and Mohammad Sadeghi.

With a strong contingency of returning runners, next year's team only has to improve a little to become very competitive.

WRESTLING

Lack of Heavyweights

Coach Evans & Tri-Captains

The wrestling team did not receive a great deal of support this year, although they did wrestle quite a few good matches at school. Tri-Captains Andy Morison, Mike Morison, and Gary Bostwick led the team through a season of hard earned victories and tough losses. The wrestlers not only dealt with intense dieting and grueling practices, but also a frustrating lack of strength in the upper weight classes.

In the Holiday Tournament, Andy Morison and Gary Bostwick placed first, and Al Cawley won second. During the regular season, Greg Skaff became a valuable addition to the team as he won bout after bout. Other members who had a good year were Bill Hutchinson, Tom O'Dell, Steve Booth, and Larry Soule. Mike Morison had a difficult loss in the Holiday Tournament, but a great year wrestling in the regular dual meet season. The standout of the season was undoubtedly Bostwick, who placed first in all three of the tournaments held during the year; an incomparable feat.

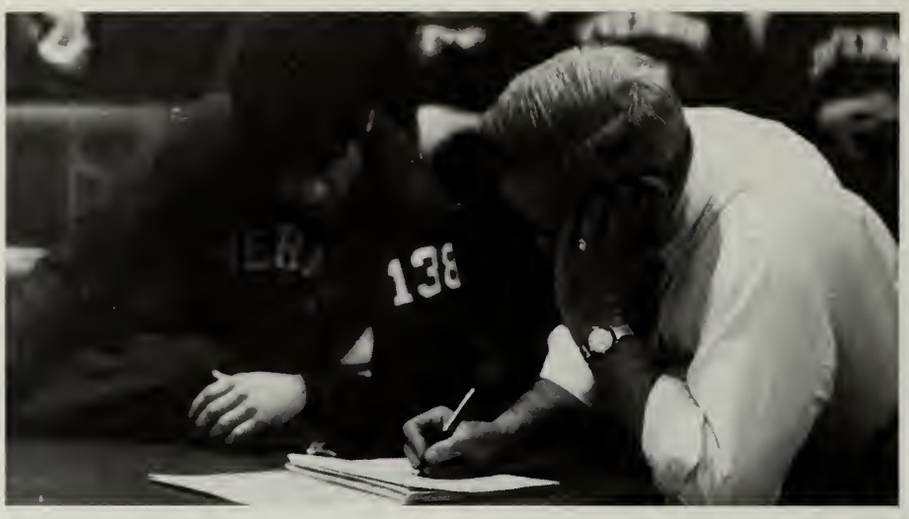

Only five seniors are leaving the team, so the wrestlers are expected to have a good season next year, with the aid of some strong J.V. competitors. Next year's captains, Cawley and Skaff, are wished the best of luck.

BASEBALL

Spirited Team Back on Track

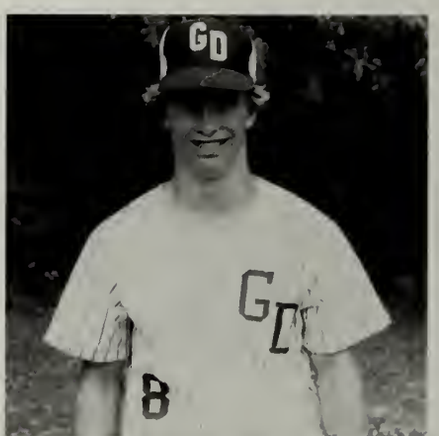

Captains Carter & Teel, Coaches Moonves & Metz

Despite some bad breaks, questionable calls, and untimely slumps, G.D.A Baseball fought its way to a very successful season. Any of these elements might have been enough to make another team give up, but because of their spirit and enthusiasm for the game, the Governors made themselves known as something of a powerhouse in the league.

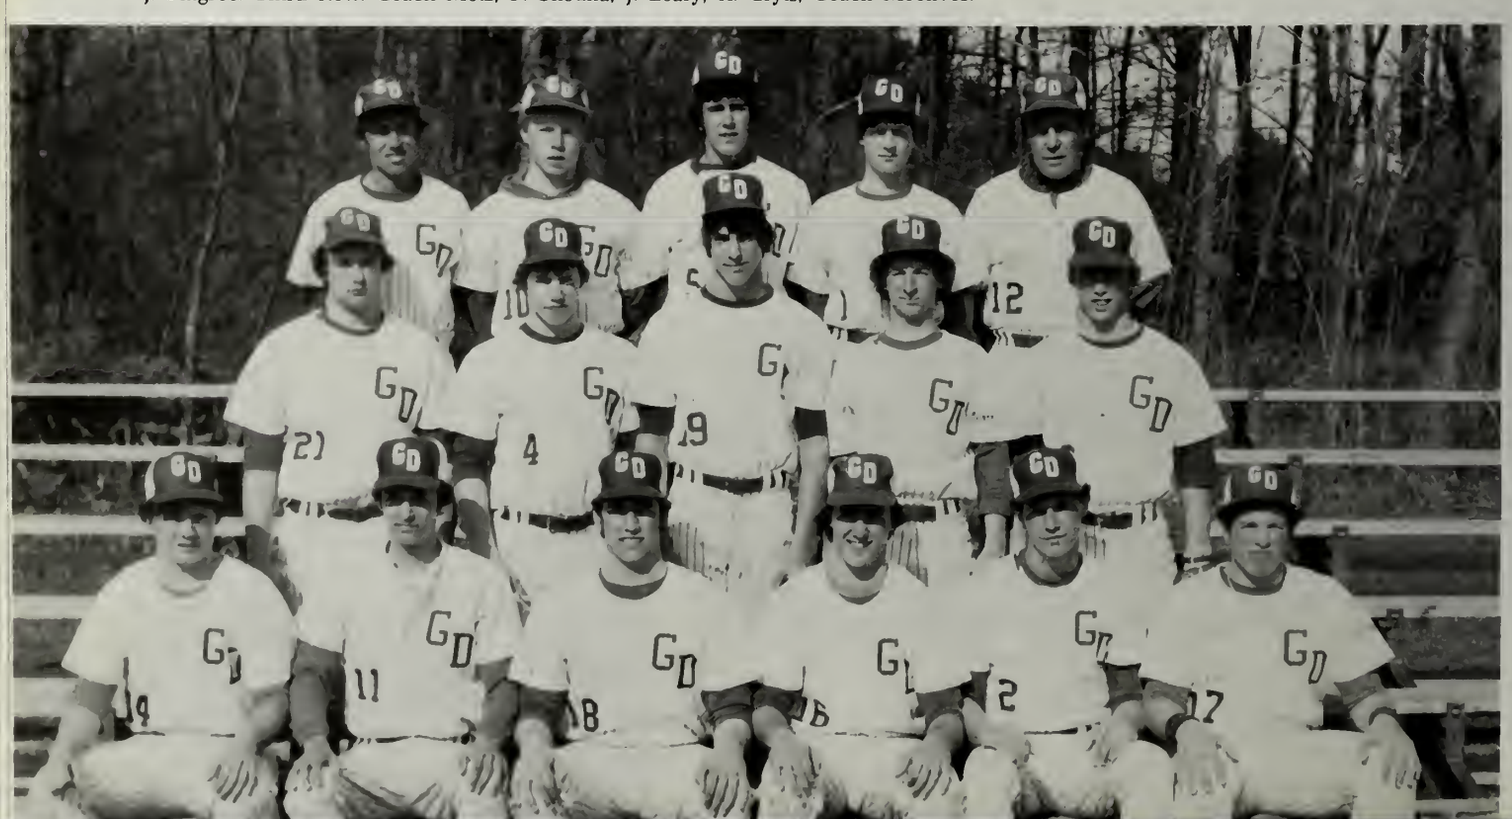

It was no surprise to Coaches Moonves and Metz that this year's team was a contender, because all but two members of last year's squad were returning. Led by Captains Chris Teel and Paul Carter, both the infield and the outfield saw some solid playing by seniors and underclassmen alike. Tony Tommasi showed everyone just how physical baseball really is, while M.V.P. Jon Pingree spear-headed a number of what is considered by many the prettiest play in baseball, the 6-4-3 double play. Third base had few leaks as its time was split between Chris Mahoney and Charlie Sullivan. Converted goalie Kevin Cryts showed defensive skill while also explaining to his teammates the finer points of the "swinging bunt." Pitchers were not scarce, as the bullpen produced the likes of Bob Griffin, Mike Reilly, and Phil Parry. The outfield saw lots of switches, for the depth of the team allowed any player to step in at any moment.

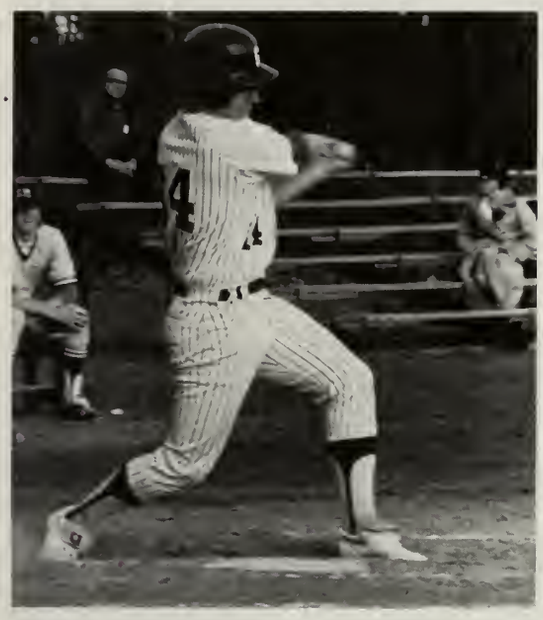

The Varsity did not peak this year; rather, they started the climb to the top. Jon Gibbs, who led the team in batting average and received Honorable Mention on the All-League team, will be returning amongst others. After watching the Varsity play this year, one could not help but realize that it would be impossible to ask for a better group of players. In the words of Coach Moonves, "That 's baseball!"

GOLF

Witherspoon Cup Comes Home

M.V.P. Menyhart

In a complete turnaround from last year's dismal 1-6 season, this year's Golf team showed that it had at last regained a foothold atop the I.S.L. They were confident of success even before the season began, because last year's team was good, only inconsistent. Also, the team lost just one player at year's end. With solid victories in almost every match, the team won again the respect of opposing league teams

The team keyed itself on the play of Captain Mike Menyhart, Scott Maguire, and Dan MacLaughlin, the top three players. Both Menyhart and MacLaughlin were undefeated in league play, and Maguire lost only two matches, each of them close. Menyhart received M.V.P. honors for his performance this year, as much as for the past four years.

Other key members of the team were Pete Ross, from whom the team looks forward to a couple more years of play; Mark Nichols and Rick Stram, who provided many of the winning points; and Chris Frangos and Ben Frost, who week by week vied for the seventh spot on the team, the cut-off point for competition.

Although the team didn't fare well in the I.S.L. Championships, they surprised a lot of teams with the quality of their play, notably a no longer cocky Tabor team.

Coach McDonnell & Captain Menyhart

Bringing home the Witherspoon Cup was the climax to this already successful season. Named in honor of former G.D.A. coach John Witherspoon, winning it was especially pleasing to those members of the team that were coached by him two years ago. The team hopes to repeat the victory, for they have at last returned to their position of power in the league.

WOMEN'S LACROSSE
The Winning Continues

Co-Captains Perry, O'Leary & Coach Clark

Last year's Women's Lacrosse team left this year's team a difficult feat to accomplish: how to improve on an 11-1 record while replacing six departing seniors. This year's team answered with another 11-1 season and second place in the I.S.L. behind a team they didn't play against. They stuck together through all kinds of weather and other adversities and came out of it united. It was teamwork and the leadership of Coach Betsy Clark that pulled them through a close game against Groton and through their last game loss to St. George's, when the team saw their hopes of an undefeated, first place season dashed.

Co-Captain Sue Perry once again showed how talented she was, leading the team scorers and gaining a spot on the All-League team. Tracey Meehan, with her great timing, helped protect Karla Austen, who was "Awesome" in the goal. Cornelia "Woody" Woodworth was the team's reliable center, winning many draws for them. Everyone on the team contributed solidly to make the team what it was. No matter who the opposition was, each player put in all she had, whether it was against Lawrence, when the defense was allowed to play attack, or St. George's, a game that few will forget.

Co-M.V.P.s Perry & Meehan

Next year's team faces the same challenge that this year's did, for there are six seniors leaving the squad, but under the tutelage of Coach Clark, they should do very well.

MEN'S LACROSSE

Back to Basics

M.V.P. & Captain Whitney

The 1981 Men's Lacrosse team did not have the best of records, but it was a memorable and rebuilding year. With six sophomores and six seniors on the team, the rest juniors, it was a comparatively young team. Because of its inexperience, it had to endure a losing season, the first for Coach Heb Evans in a long time. Evans tried though, yelling at Scott Barger to stay where he belonged and yelling at Juddy to stop yelling. Midway through the season, when the whole team was catching the defense's inherent inability to handle the ball, Coach Anderson delivered his "This is a ball. This is a stick, The ball goes in the stick" lesson, which the team had been spared from until then.

Maybe they won't need it next year with so many two-year veterans that were sorely missing this year. The team's main scorer was sophomore Chin-man Laganas. Hopefully, He and Barge can put some balls into the net next year. The team suffered the loss of Captain Mark Whitney to a leg injury late in the season. However, Whitney's injury gave sophomore rookies Kagan and Sullivan a chance to run the defense with Crack Obadia and Bufu, trying to protect the shell-shocked goalies Andy Morison, with his famous 5th gear overdrive, and Sarge Kennedy, who displayed the art of body saves and his patented cup-saves.

Coach Evans

After practice in the locker room, the rest of the team heard Crack's unbelievable laugh, Bobby Low's spewing out Adelphi facts and saw Mickey Morison jumping around naked on the lockers doing his "Altered States" impression.

So let's have a cheer from John J. Dynamite's Cheerleaders for Bobby Low and Dave Schwartz, next year's captains, and pray for a whale of a good season.

MEN'S TENNIS

Old & New Talent Combine to Win

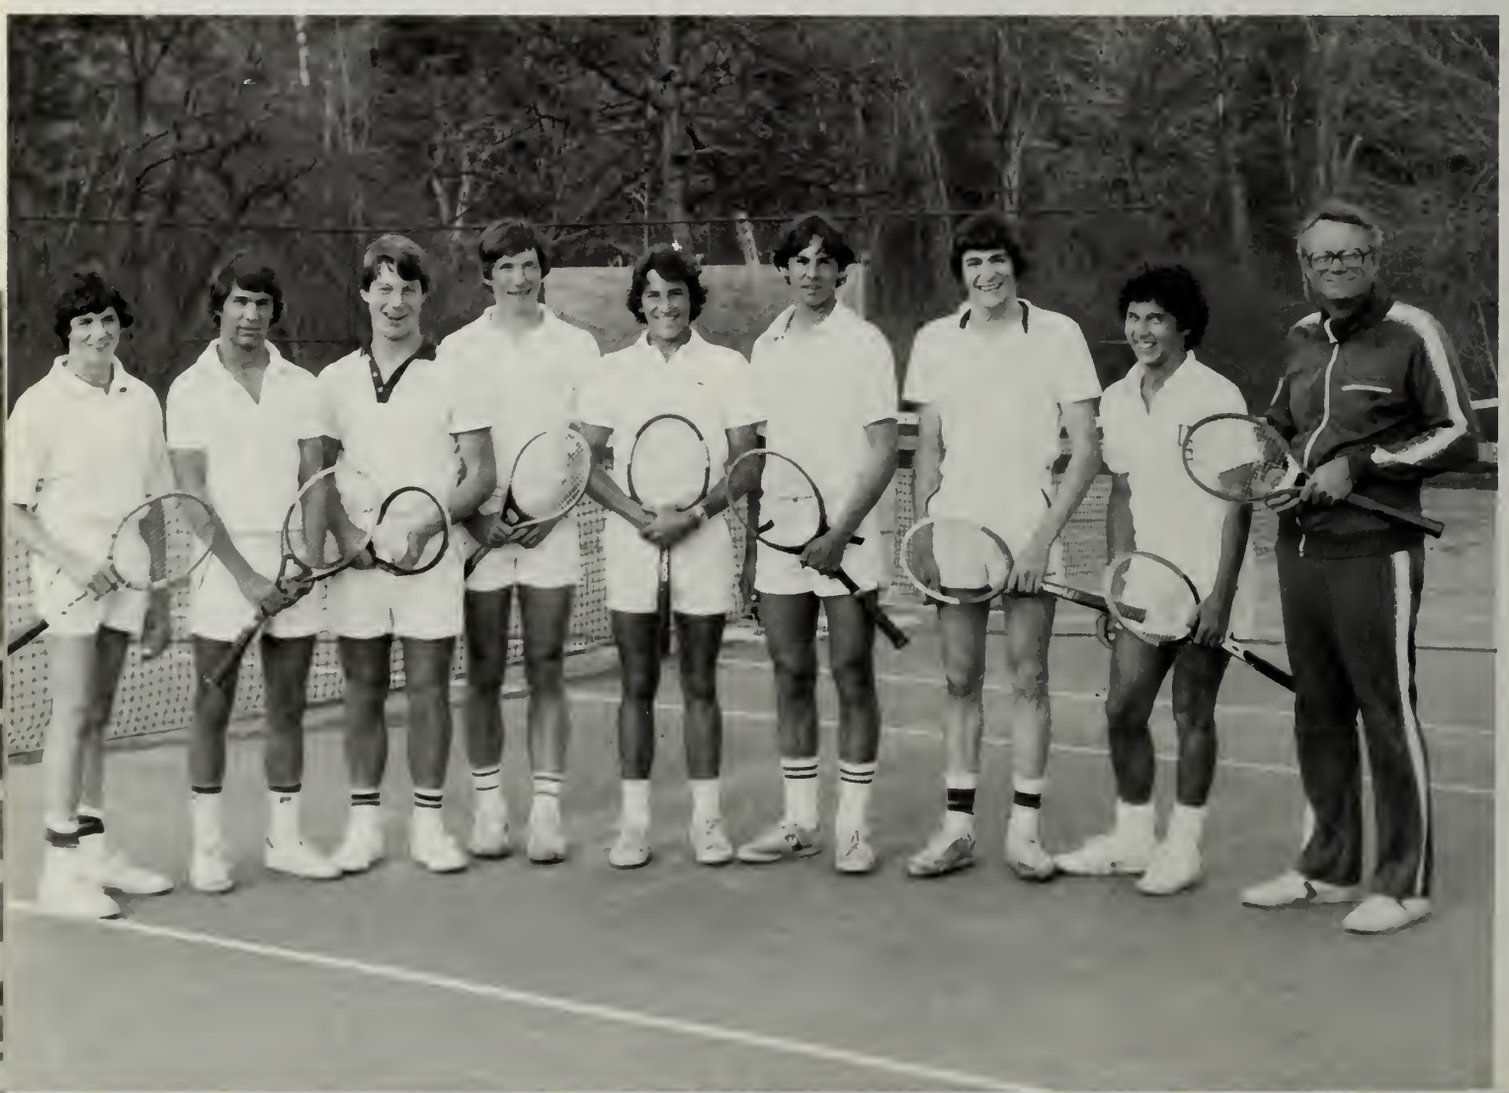

Coach Rowe & Captain Stone

The '81 Tennis team directed itself primarily toward rebuilding, and with an ever-positive attitude, it found success. Right from the beginning, the team had hopes for a good season. Justifiably so, for there was a strong contingent of returning lettermen, accompanied by new talent and some experienced J.V. players.

The team centered around its new sophomore star, Steve Nicholson, who quickly became the recognized best player in the league and was later voted team M.V.P. When paired with the team's top doubles player, Jay DiIorio, there was no match that they could lose. DiIorio was equally successful in singles play. The whole team was led by the enthusiastic Captain Jamie Stone and the knowledgable Coach Wally Rowe.

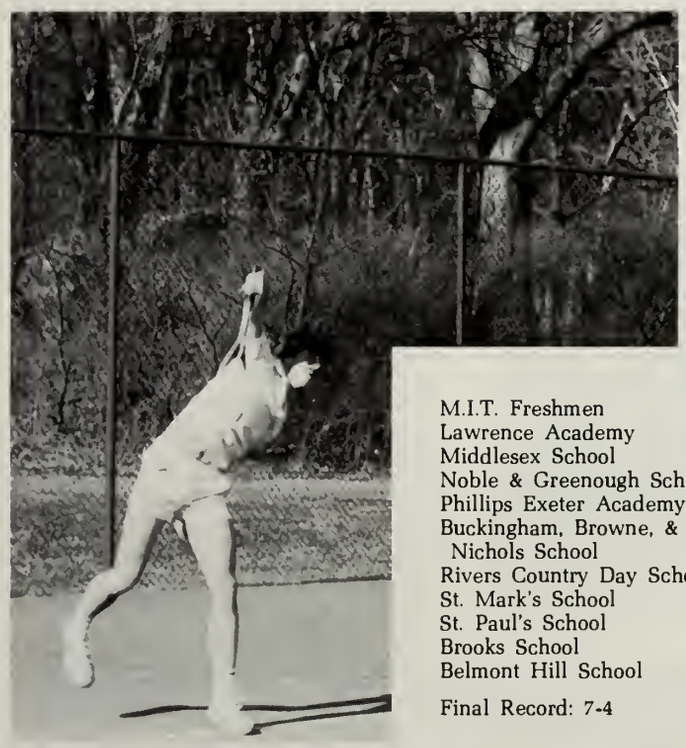

The high point of the season was the away match versus B.B. & N. The Governors had been beaten handily by them the previous year and were out for revenge. They beat B.B. & N. as easily as they had been beaten the year before and look forward to doing it again. The team's success should continue, and Coach Rowe seems well on his way to restoring the greatness of G.D.A. tennis powerhouses of old.

WOMEN'S TENNIS
New Team Excels

M.V.P. Louden

In its first year of existence, the Women's Tennis team performed remarkably well. Their greatest problem was scheduling matches that didn't conflict with the weather — the Pingree match was postponed twice and was eventually canceled altogether. The girls never knew if they would have a match the next day or if the scheduled matches would actually be played. In spite of the unrest caused by these uncertainties, they showed a great deal of perseverance. Coach Dudley Cleghorn attributed the success of the team to their desire to play on their own team, instead of competing for spots on the "Men's" tennis team.

The first doubles team consisted of Kitty Rahbany and Captain Lisa Louden, also the top two singles players, respectively. Between the two of them, they were wholly undefeated in both singles and doubles. Louden provided the team with a lot of spirit to help carry them through the rained- out matches. Cheryl Dube and Martha Lawlor were the second doubles team — a promising combination that won a number of matches. Each of the remaining players contributed greatly to the team, as evidenced by the scores of the matches.

The only loss of the season was a very tight match against Brooks,

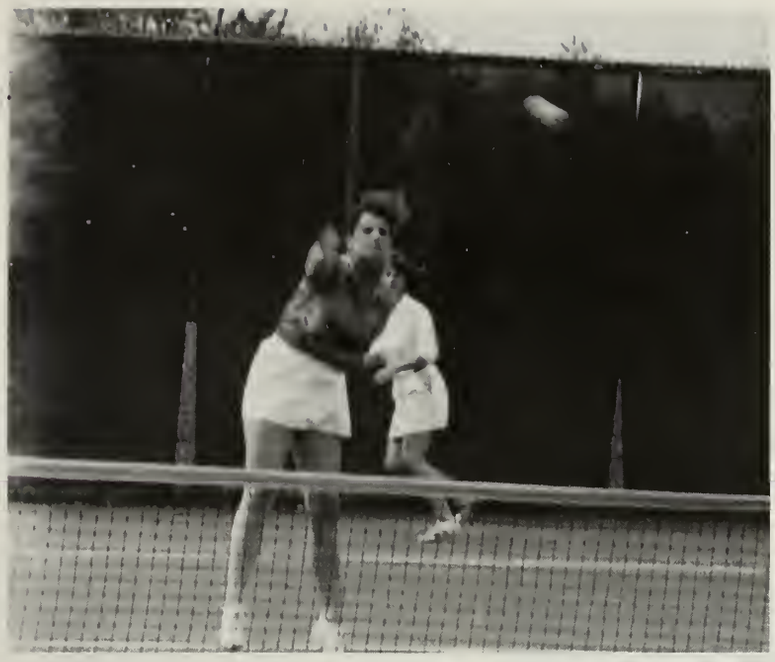

Coach Cleghorn & Captain Lounden

but the team showed their spunk and rebounded quickly to win the next. The talent of the team was enhanced by their desire to play, and to *win*. Next year should be even better, for there will be scheduled matches and maybe, just maybe, a match with Pingree.

MEN'S TRACK

Injuries Plague Talented Team

Captains Shula, Laros, & Coach Rybicki

This year's Men's Track team suffered through innumerable injuries to become known as the veritable "Walking Wounded." In spite of the injuries, Coach Ed Rybicki felt that the team gave its all every time it stepped out onto the track.

Distance running was dominated by two dynamic sophomores, Andy Barton and Greg Skaff. Barton won two bronze medals in the Interschols for his third place finishes in the 1500M Run and the 3000M Run. André LaFleur ran away with first place and a gold medal in the High Jump. Co-Captain Dave Shula remained undefeated in his forte, the Triple Jump. In the Interschols, he took first in that event while also placing fourth in the Long Jump.

The team, through the leadership of Co-Captains Shula and Keller Laros, was a strong unit to which each member was dedicated. Coach Rybicki said that it was the best track "team" that he had ever coached. In a typical display of its spirit, the team tried its hardest against Cushing in the 4x110 Relay that it was disqualified from before the race even began. The desire of the team to win was strong, and the coaching was superb, so the team finished strongly in the New England standings.

WOMEN'S TRACK

A Myriad of New Records

Captain Miller & Coach Sperry

The Women's Track team had a great year, breaking records in several different events and tying the record in an eighth. Most significant in contributing to the team were Gail Lattime, Ann Rooney, Sue Miller, Sally DeGan, and Marlene Banfield, each of whom either broke two records herself or helped break two.

Lattime broke records in both the Discus Throw and the Shot Put, setting ground for herself to work against next year. Rooney specialized in distance running, setting records in the 1500M Run and the 3000M Run. For their efforts, Lattime and Rooney were awarded Co-M.V.P.s. Sally DeGan was another integral part of the running program, staking a leg in both the 4x110 Relay and the 4x440 Relay, in which records were set. Banfield doubled up in running and jumping and played a big part in both. She set the new record in the Long Jump and ran a leg in the record-setting 4x110 Relay team. Additionally, Banfield set the standard in the Triple Jump, an event new to the Women's Track team.

Captain Sue Miller led the way in the Hurdles, equalling the school record in the 100M Hurdles, while also running a leg in the 4x110 Relay team. Sue contributed even more greatly with her enthusiasm and leadership.

Co-M.V.P.s Lattime & Rooney

This was an excellent year, for improvement was made, records were broken, and only three seniors are leaving the team. The future looks very bright indeed.

THE 1981 MILESTONE

Captain Frost (Missing: Coach Miller)

12Jun81
6:15 A.M.

To Whom It May Concern:

I'm not really sure if it's proper to put this here, but I figured I'd leave the last page for something more meaningful than a "note from the Editor."

It's the morning of our last deadline day (I'm still not sure if we'll make it), and I've spent all night preparing the shipment, proof reading, doing last-minute layouts, and digging for any remaining good pictures. Believe me, Schumann is creepy at 4:00 A.M. Many of you may think that I'm the one who's done all the work on the book. Wrongo! All of the editors have contributed greatly, not to mention all of the other staff that get no glory. Those of you who have actually bothered to read this have probably helped in some way. There are three people that must be recognized by name, though.

First, Mr. Miller has been an Adviser par excellence, knowing just when to leave the whole show up to this more than capable staff. Also, Sarge Kennedy has been inspirationally creative (if you see him, make sure that you compliment him for his collage on pp. 126-7), and has, without realizing it, saved the book from certain doom. Most significant, however has been the contribution of David Critics, a nonpareil Photo Editor. Look on

M.V.P. Critics

and enjoy. You see now why he won the Yearbook Achievement Award.

The rest will remain unnamed, partly because there isn't room, but mostly because I'm too tired. Thank you all very much, it's been a fun time. I'd do it again if I could.

Ben Frost
Editor-in-Chief

P.S. You can burn down Schumann now, Radar.

On alternate weeks throughout the year, a small and talented group of people met in the Rowe's living room to share amongst themselves their own creative literary skills. Known as the Creative Writing Group, they individually displayed their works which were sometimes stifled by the restrictive atmosphere of the classroom. Together, they produced three publications during the year. Two were mimeographed booklets issued in Fall and Winter, and the third was the professionally published Spire, G.D.A.'s only literary magazine.

This year was marked by the discovery of new talent and the rediscovery of old talent. Pam Kelly's poems and Bill Temple's amusing short stories brought a new light to the group, while Cynthia Pfeiffer's and Brian Freeman's successful tries at poetry were countered by David Critic's switch to prose.

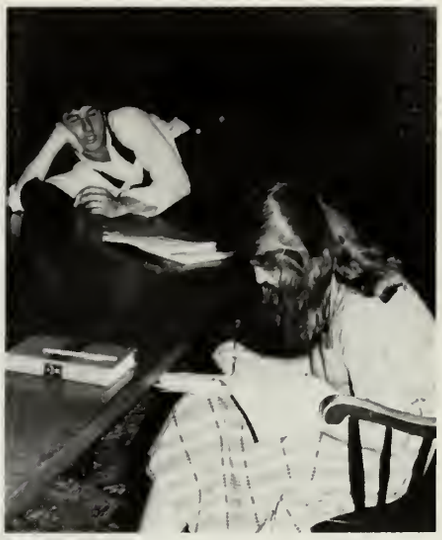

The highlight of the year was when eight of the group were invited to attend the "Festival for Young Poets" held at Exeter. Seen as the beginning of a fruitful tradition, it offered the students a chance to show their abilities to a wider audience. Additionally successful was the annual issue of the Spire, complimented by Caleb Ham's fine art, which served to give a more lasting rememberance of our talented writers.

THE GOVERNOR

This year the editors of *The Governor* began with high hopes. They worked long and hard to disprove their critics to become one of the better publications in years. The editorial board moved to delay a few issues in order to improve copy and expand to six pages. This meant that often the staff had to start work on a new issue before the previous one had been brought to the press. Charlie Bougas and David Ryan worked hard to fulfill their jobs as editors-in-chief, trying

constantly to meet their deadlines. The enthusiasm of Lyn McCarthy, as feature editor, was evident in the many ideas she suggested to improve the paper. Dan Cooke worked hard to ensure that their was always an editorial on his page. Also indispensable were Abby Castle as Front Page Editor, Karla Austen as Sports Editor, Antea von Henneberg as Literary Editor, and Doug Brown as Photo Editor. Each played an important role in keeping the paper running smoothly.

FRENCH DIRECTORS

This year's French Building Directors found themselves busy, trying to provide a clean and well-managed building where people could go to relax.

The growing problem with vandalism around campus grounds and inside the buildings was the topic of many crack meetings throughout the year. Fortunately, through a campus-wide drive to raise students' respect and spirit for G.D.A., the Directors were able to help keep French a comfortable place to hang out.

COMMUNITY COUNCIL

The 1980-'81 season marked the first year of the Community Council. The direct descendant of the old Student government, it has provided a more organized form of student government through the creation of a comprehensive constitution. The Constitution and its bylaws guided the Council throughout the year, and although the Council sometimes moved slowly, it always acted with a great deal of thought and preparation.

The Tuesday Evening discussions in the Seminar Room provided the essential link of communication amongst classes and were a learning experience for all involved.

Dan Cross and Mike Morison represented the students' point of view on the Headmaster's Advisory Committee, and Tim's Timely Minutes kept everyone up to date. Special note should be made of Ms. Cleghorn's and M. Morison's efforts on the Convocation Committee, of the upperclass members who made difficult decisions on the D.C. Review Board, and of the efforts of everyone who helped raise funds through the sale of school mugs.

FOOD COMMITTEE

The Food Committee worked hard this year to find ways to limit food waste in the Dining Hall. A food suggestion box was installed in the Main Office to allow for more student input, and the Committee, led by President Mike Reilly met often with Gene Sumner to discuss compliments and complaints. Mr. Sumner was very cooperative with the Committee and did his best to correct any matters that were necessary. Mr. Mulligan, the Faculty Advisor, lent his support to the Committee with enthusiasm, making speeches at school meetings about limiting waste and inspiring a drive to get the boarders a steak dinner. Everyone is hopeful for continued good results next year.

DISCIPLINE COMMITTEE

This year's Discipline Committee began well, with four new members. The Committee is comprised of four faculty members, the Dean of Students, the Headmaster, and four students chosen by the Community Council. Ms. Clark came onto D.C. as this year's new faculty member, joining Mr. Moonves, Mr. Mechem, and Mr. Harrington. New student members were Abby Castle, Sergio Obadia, and Barbara Sheffert, who were accompanied by veteran Jenny Graf. This ten member committee held discussions as to the disciplinary action for certain students. The decisions made by the Committee are only advisory for the Headmaster, and he makes all the final decisions.

Unfortunately, the year was fairly busy, but Mr. Colgate, Chairman of the Committee, made sure that things went smoothly. At the beginning of the second semester, two juniors, Karen McKinney and Claire Dober, were elected by the Community Council to take the places of the two seniors whose terms had ended.

COMMENCEMENT COMMITTEE

The Commencement Committee this year worked hard to plan a successful end to the school year. They were mainly concerned with finding a speaker for commencement, the Senior Dinner, the class gift and the Baccalaureate service. Each member had to put in much time and effort to ensure the success of their plans. They were fortunate to get Former Senator Culver, a current professor at Harvard, to speak at commencement. Members Lisa Louden, Pam Kelley, Kitty Rahbany, Charlie Bougas, Benay Lazo, Mark Whitney, Abby Castle, Mike Reilly, Clare Putnam, Ted Covell, Doug Barrett, Ann McCullon, Barbara Sheffert, and Guri Hamilton worked together with Mr. Moonves to create a smooth running and memorable graduation.

SOCIAL COMMITTEE

This year's Social Committee worked hard to liven up the G.D.A. campus, sponsoring traditional events and engineering many new ones. Heading up the Committee were Joanne Leary and Mark Woodbury, who were constantly coming up with inspirational ideas that kept other members busy. Jamie Stone was responsible for staging and contacts with the Business Office, while Tom O'Dell was in charge of hiring bands and disc jockeys. Sarah Sullivan and Phoebe Coues took care of refreshments for most events. Other Committee members could be found doing various tasks such as cleaning up after dances. The Social Committee planned most of the weekend activities, as well as other special events like the Halloween Party and the Rollerskating party. It was a successful year, as the Committee kept things hopping.

TOUR TEAM

This year's Tour Team had the largest membership of any organization on campus with over a hundred people acting as guides. The Admissions Office commented that this was one of the most well run years, due to the number of guides and the hard work of Mike Menyhart and Kathy O'Leary, Student Co-Coordinators. The Team played an important part of the admissions process as they gave many prospective students their first glimpse of G.D.A. life.

BIBLE STUDY FELLOWSHIP

Each year since the Bible Study Fellowship began at G.D.A., it has grown in leaps and bounds. A large number of new students became regulars and others dropped by to get a taste. Every Wednesday evening meeting started with boisterous singing led by Ms. Cleghorn and Claire Dober on guitar. Ms. Cleghorn also led the discussions, which dealt with topics ranging from loneliness and confidence to the significance of Christmas and Easter.

Wednesday night discussions were not the only thing the Bible Study group participated in, for there were four retreats. The Spring retreat was held with several other groups from Andover, Exeter, and St. Paul's. It was a chance to build friendships with students from other schools and to share experiences. The last retreat was held at the Tindall's cabin in Maine, known as the "Looney Bin." The year was a great deal of fun for everyone involved and next year, Mr. Tindall wants anyone who knows "I am not skilled" to please come.

BLACK STUDENT UNION

The activities of the Black Student Union of 1980-81 represented the pride that its members have for their heritage. In memory of Dr. Martin Luther King, Jr., a special service was presented to the student body to show what he stood for and what he did for others. During Black History Month a bulletin board was put up in Frost to represent famous Blacks, Past, Present, and Future, each pictured under the month of his birthday.

Another event that the Union observed was the killings that occurred in Atlanta, Georgia, during the past year. The members wore green ribbons signifying the grief that they felt for their fellow brothers and sisters.

GERMAN CLUB/EXCHANGE

This year the German Club got off to a great start with the German Exchange Students arriving in late September for three weeks. The fourteen Germans stayed in the homes of local day students and attended classes with their hosts. Each weekend they were able to go on various trips to places such as the Cape, the White Mountains in New Hampshire and Boston.

The Club, led by President Steve Wood, Vice-President Dave Shula, and Treasurer Andrew Fredrick, was able to sponsor a bratwurst booth at the Junior Carnival, and a bake sale. The Exchange Program, though providing some real culture shock, was most successful and was enjoyed by all.

VARSITY CLUB

This year's Varsity Club made its presence felt each season by sponsoring three key events. During the fall they sponsored a pep rally and bonfire, complete with effigy. This served to stir up school and team spirit with speeches made by the coaches and team captains. Carnation Day was held around Valentine's Day. The Varsity Club sold carnations that were given out on the Friday before Valentine's Day. In the spring was Slave Day, when Varsity Club members were auctioned off at a school meeting and the next week they were required to perform various tasks. The main organizers of these events were President Keller Laros, Vice-President Mike Morison, and secretary Kathy O'Leary. The whole school benefited from the efforts of the Club, whose activities have become a yearly tradition.

OUTING CLUB

The Pringle's Effect in Action

In yet another successful season of excursions, the Outing Club provided to everyone interested the opportunity to commune with nature.

The year wound up on a good note with the Annual hike to Lion Head on Mt. Washington. Led by President Paul Carter, Ben Frost, Dan Cooke, David Critics, and Advisor Tom Foster, the Hike was culminated by a three-hour long snowball fight. A cautious testing of the Pringle's effect proved successful once again as Carter nearly blew out his ear, rediscovering how powerful the can really is. A word of warning to future generations of hikers: Beware the Lynx!

GREEK CLUB

The Aegean Association, commonly known as the Greek Club, was founded in the winter of 1979-1980. The club has been active under President Peter Laventis, Vice-President Charlie Bougas, Treasurer Tom Johnson, and Secretary Lisa Diamond. Using funds raised from running Greek food booths, the club visited a Greek art exhibit and sampled the fare of the Athens Olympia Restaurant in Boston. Next year's plans include sponsoring a Greek dance.

GREENHOUSE CLUB

After four years of watering, fertilizing, and waiting, the Greenhouse Club finally had a harvest. Hung this year in the Cobb Room were three four foot long hanging plants, all of which had been started from cuttings. Other than that, the Greenhouse Club continued to propagate as many new plants as it could for future generations of G.D.A. students.

Everyone loves plants . . .

SHOTGUN & RIFLE CLUB

Safety's *always* first.

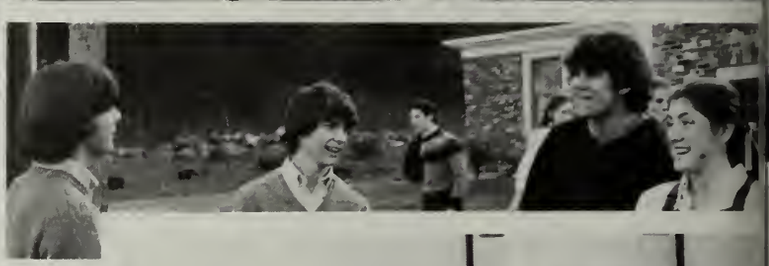

Formed this year under the auspices of Dan Cross, Charlie Cashin, and advisor Mr. Herman Diehl, the Shotgun and Rifle Club was planned privately for seven months before the first public announcement of it in January. Before breaking for Spring Vacation, it had already drawn a surprising membership of over thirty-three students.

Both experienced shooters and beginners discovered how much fun safe recreational firing can be. The Club looks forward to continued growth next year.

UNDERCLASSMEN

FRESHMEN

The freshman class had a strong showing for their first year at Governor Dummer. Academically they were uncommonly strong. They also contributed to athletics. In the arts they were the first to taste the new Freshmen Fine Arts Program.

Stephen Glazer, Kathleen Lambert, Henry Long, and Roechelle Smith each gained High Honors. These four represented nearly half of the High Honor Roll for the entire school.

Exposure to the fine arts during the last period of the day brought several freshmen into the Jazz Band and the winter musical, *The Best of Broadway*. Kim Grillo, Stefan Marculowicz, Mike Kaye, John Hurley and Jim Donaldson all displayed their musical talents in the winter musicale. Burke Leavitt was the answer to Mr. Stowen's quest for a bassist and Roechelle Smith dazzled all with her dancing skills.

In sports, Gary Tallman wrestled for the varsity in the Holiday Tournament and in the Graves Kelsey; Josh Maltzberger and Brian O'Dell also wrestled varsity for most of the season.

Elected leaders of the class included Mike Leary, President, Joe DiNanno, Vice-President and Chris Barger, Secretary-Treasurer. The Admissions office was grateful for the help of Rachael Feingold, Bill Temple and Liz Kimball who were members of the Tour Team.

With the academic, athletic and creative interests expressed by members of the class of '84, there is much to look forward to for the next three years.

SOPHOMORES

Variety is said to be the spice of life and certainly the class of '83 can be counted on to spice up the community for the next two years.

Individuality seems to be the hallmark of the class at this time. Class unity and group effort must grow with the ensuing years. The class was led by Lori Whitney as President; Viscount Cornwall, Vice-President; Sarah Stevens, Secretary-Treasurer and Kevin Cryts and Sue Towler as Community Council Representatives. Trust and responsibility were lessons learned the hard way as the proceeds of a basketball game bake sale were stolen on the night of the sale.

The class shone in athletics with Chris Laganas, Hope Williams, Sarah Breed and Greg Skaff each earning more than one varsity letter. Liz Higgins and Cathy Eveleth were part of the phenomenal Women's Soccer Team while Steve Nicholson proved to be a strong member of the Tennis Team. Andy Barton and Skaff were tops in Cross Country. Each of them earned League honors.

The High Honor Roll includes sophomores Amy Welch, Arthur Cohen, John Sylvain, Rebecca Riehl and Aaron Helpern. Elea Kemler won the lead female roll in the fall production of *The Visit* with the support from Cornwall, Patsy O'Malley, Lisa Diamond and Bambi Morris. In the highly acclaimed winter production of *The Best of Broadway* the sophomore acting crew once again hit the boards.

With all the variety of talent found in the class, the main goal of the class next year will be to unify so that it will be able to assume the role of leadership required of seniors the following year.

JUNIORS

The Junior class of 1980-81 made good progress toward the goal of class unity established early in September. Class President Sally DeGan and the other officers deserve praise from all for their efforts and persistence in bringing the class together. Weekly meetings were held to discuss ways of raising funds for class activities as well as to plan each activity. Attendance at these meetings was good, which indicated strong enthusiasm by the class members. The Ski trip to Sugarloaf with the sophomore class was most successful.

Along with help from the Class Advisor, Mr. White, a surprisingly quick sale of two hundred-fifty painter's caps set headwear style in early winter. The Carnival Committee began early planning to be sure to match the efforts of last year's successful Junior Class Carnival extravaganza.

Many juniors have excelled in athletics. Sally DeGan was co-captain of the undefeated Women's Varsity Soccer Team. Varsity Men's Basketball has done well thanks to junior class members Marc Rasbury, Todd Darden, Jon Andrews, Ted Larned and P.J. Shoulla. MVP Tim Stetson and Bobby Low were important assets to the Men's Varsity Soccer Team.

Many juniors participated in the diverse extracurricular activities offered at G.D.A. Claire Dober and Karen McKinney were elected to the Disciplinary Committee. Others helped in the Social Committee, the Junior Milestone, the Governor, the Tour Team and many other facets of school life. Drama productions were enhanced with performances by Jill Demeri, John Krigbaum and others in front of the lights while Sheik Allen headed the Back Stage Technicians.

This has been a great year. Class unity enabled all to have an enjoyable and memorable time. Sports and other Extra-curricular activities provided an alternative to the rigorous work load of the junior year. The senior year will be as valuable as this one to those members of the class who give their best to all aspects of school life.

Love is friendship that has caught fire. It is quiet understanding, mutual confidence, sharing and forgiving. It is loyalty through good and bad times. It settles for less than perfection and makes allowances for human weaknesses. Love is content with the present, it hopes for the future, and it doesn't brood over the past. It is the day-in, day-out chronicle at irritations, problems, compromises, small disappointments, big victories, and working toward common goals.

If a man kisses your hand you may feel very, very good, but a diamond and saphire bracelet lasts forever.

Down from the door where it began
Now far ahead the road has gone,

You go through school constantly anticipating the satisfaction and joy of finally graduating; however, when you put on that robe, you shake your head and say to yourself, "Hey, I'm in no hurry," but by that time it's too late. You suddenly realize that the many things you've taken for granted will no longer be part of your life. You're on your own now, kid. Be strong, and above all believe in yourself; if you do, you'll always be on top.

"It is only with the heart that one can see rightly; what is essential is invisible to the eye . . . It is the time you have wasted for your rose that makes your rose so important. Men have forgotten this truth . . . but you must not forget it. You become responsible, forever, for what you have tamed. You are responsible for your rose . . ."

"If our friendships depend on things
like space and time,
then when we finally overcome space and
time,
we destroy our own brotherhood.
But ...
Overcome space, and all we have left is here
Overcome time, and all we have left is now
And ...
In the middle of here and now, don't you
think we might see each other once or twice."

Bus fumes and traffic quarrels
Blank faced people walking
fast
Past my memories
Do they know of wild horses
Crashing through the surf?
Have they brushed aside
All sea shell dreams,
And forgotten that once
they rushed into wild waters
And cried salt tears into
the salt sea?

Lord,
make me an instrument of your peace.
Where there is hatred let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light; and
Where there is sadness, joy.

O divine Master,
grant that I may not so much
Seek to be consoled as to console;
To be understood as to understand;
To be loved as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned; and
It is in dying that we are born to eternal life.

"The theory of books is noble . . ."

"Yet hence arises a grave mischief. The sacredness which attaches to the act of creation, the act of thought, is transferred to the record. The poet chanting was felt to be a divine man: henceforth the chant is divine also. The writer was a just and wise spirit: hence-forward it is settled the book is perfect; as love of the hero corrupts into worship of his statue. Instantly the book becomes noxious: the guide is a tyrant. The sluggish and perverted mind of the multitude, slow to open to the incursions of reason, having once so opened, having once received this book, stands upon it, and and makes an outcry if it is disparged. Colleges are built on it. Books are written on it by thinkers, not by man thinking: by men of talent, that is, who start wrong, who set out from accepted dogmas, not from their own sight of principles."

"Hence, instead of man thinking, we have the book-worm. Hence, the book-learned class."

Graduation

THE MORSE FLAG

The Morse Flag was first awarded 68 years ago at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and Trustee to the Academy, a new flag is provided each year in order that the old flag which has flown over the school during the past year may be given to a member of the graduating class.

. . . that senior "whose record in all respects has met with the highest approval of the faculty." "In all respects": that covers a lot of ground. At the Academy it comprehends, in general, activities of many sorts, athletics, concern for the school community, leadership, recognition in terms of honors bestowed, and performance in the classroom. Here is the record of this year's recipient:

— "activities of many sorts": the Drama Club for three years, including several starring roles; three years a member of the increasingly popular and accomplished glee club; the creative writing club; editorial board of the literary magazine.

— "athletics": three varsity letters divided between two sports

— "concern for the community"; big brother/ big sister program; student tour guide; Red Key Society.

— "leadership": one of four Directors of the Peter Marshall French Student Union; charter member of the new Governor Dummer Honor Society, recognizing general leadership contributions in the Academy.

— " recognition in terms of honors bestowed": elected a member of the Cum Laude Society as a Junior; winner of the Harvard Prize Book last Commencement-time as the Junior deemed most worthy through . . . high scholarship and character;

-the ranking scholar in the Class of 1981 during the past three years

-next year to be a student at Duke University

-second girl ever to win the pre-eminent Morse Flag Award!

CYNTHIA WOODWARD PFEIFEER of Newbury

THE ANNE MARIE MURPHY ATHLETIC AWARD

The Anne Marie Murphy Athletic Award was established in 1974. It is awarded to that senior girl who, by her example and by her achievement in athletics, has brought high honor to herself and to her school.

At this ceremony in June of 1979 Sue Perry received the Timothy Whittemore Award. It goes each year to a member of the sophomore class whose participation and contributions at that early stage in his or her career deserves special recognition and appreciation. Already, by the end of her second year, Sue had capped conscientious performances in all her involvements on campus with six varsity letters in three sports: soccer, basketball, and lacrosse.

Now a senior she has been elected captain or co-captain four times by her peers, twice while still a junior. She has been designated Most Valuable Player in all three sports in which she has participated. By vote of the league's coaches, she has been an All-league selection in each one of them. In a year when girls' teams have amassed their best records ever at the Academy - in a year when we have been blessed with a number of excellent girl athletes - Sue has led the way. Thus the premier prize, The Anne Marie Murphy Athletic Award, is hers.

SUSAN REBECCA PERRY of Boxford

THE PETER MARSHALL FRENCH MEMORIAL TROPHY

The French Memorial Trophy has been given by his sister in loving memory of Peter Marshall French. It is inscribed each year with the name of a student at any level whose perserverance, sportsmanship and generous spirit on the playing field, regardless of distinction as an athlete, represent the highest standards of participation.

In the world at large we value particularly our neighbors whose contributions span wide; so it is in a school community, too. Her influence has been felt in the German Club for four years; in the Bible Study Fellowship; as a Big Sister; in the Community Service Program through time spent with the ill and the elderly in nursing homes; as Co-Managing Editor of *The Milestone;* in that most difficult of roles, membership on the Student-Faculty Discipline Committee; all this time ranking in the top ¼ of her class. Her generosity of mind and manner have extended into athletics as well, where in field hockey as an underclassman and as a letter winner in both varsity volleyball and varsity girls' lacrosse - though not the most gifted player on those squads - she has been unexcelled in commitment, in loyalty, and in spirit:

BARBARA SUSANN SHEFFERT of Hampton, N.H.

THE ACADEMY PRIZE

There are two prizes which are awarded by vote of the entire faculty: one is the Morse Flag, awarded earlier this evening; the other, the Academy Prize. Upon the retirement of Headmaster Ted Eames in 1959 the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes." Those visiting the Phillips Building will find inscribed on the paneling outside my office door, in the entry way of the Cobb Room, the names of all the Morse Flag winners, reaching back to 1913, and the winners of this Academy Prize from 1931.

The Academy Prize is awarded to senior whose unselfishness and sportsmanship have best exemplified the spirit of the school.

The Class of 1981 can boast with proper pride more strong contenders for the Academy Prize than any other year within at least *my* (John W. Ragle) memory. Tonight's recipient emerges foremost from a strong company of classmates who through unselfishness and sportsmanship have individually and collectively embodied the spirit of the school.

True community leadership is no sometime thing, flashing in and out of prominence. It is present in virtually all facets of the part its possessor plays. It need not be dramatic. Its virtue may lie simply in its steadfastness and strength.

It may surface on the Food Committee or in the Varsity Club; be recognized by membership in the Red Key Society, the Cum Laude Society, or, again, with charter membership in the Governor Dummer Honor Society; in a dormitory proctorship or the captaincy of a varsity team; in eight letters distributed over the three very different varsity sports, or in election on successive years to the vice-presidency of his class, or this year to the vice-presidency of the Community Council. Pre-eminent of among an impressive company of generous givers within the Governor Dummer community this year, the winner of the Academy Prize for 1981 who, with it all, leapt in the Class academic ranking from 26th as a junior, to 4th as a senior: MICHAEL McCLARY MORISON of Peterborough, N.H.

GOODWIN ATHLETIC PRIZE

The Goodwin Athletic Prize, established by Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by his athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

This year's winners of the Goodwin Athletic Prize, and of the Anne Marie Murphy Athletic Award to follow, typify blending of talent with team spirit. Winner of 10 varsity letters in three sports over four years, this year's Goodwin Prize recipient has been recognized by his coaches as Most Valuable Player five times. In all three seasons in his senior year, football, hockey, and baseball, he has been voted by the coaches from sixteen schools to All-Independent- School-League honors. He has been elected captain or co-captain by his teammates twice this year.

We have watched him consistently exert unselfish leadership and build team pride, no matter in what context.

The fact is that no one of Governor Dummer has ever watched this player perform other than as an integral part of a team effort in which he has served as both catalyst and a prime mover. His contributions as an athlete in his career at the Academy are summed up in the coveted Richard T. Flood award, voted to him by the coaches in the Eberhart League this winter at the end of the hockey season as "The player whose enthusiasm for hockey and true devotion to the game is marked by his playing ability and physical toughness and yet whose competitive spirit is balanced by emotional control and a real desire to play within the rules of the game."

JONATHAN NELSON PINGREE of Georgetown

BEST THESPIAN AWARD

The Best Thespian Award was first made in 1971 when our Drama Club became a member of the International Thespian Society. It is awarded for meritorious work in the field of dramatics, for inspiring participation, providing leadership, and developing theatrical knowledge and abilities.

Can there be any doubt? At first glance, indeed, yes; for we have had some virtuoso performances over the years by more than a few members of the Class of 1981. Yet special notice is due one who has covered the spectrum tech crew for John Wise's production of "The Glass Menagerie," cast member in "Come Blow Your Horn" as a sophomore, Alda in "Death Takes a Holiday" as a junior, teacher in "The Visit" last November, and then Director, Producer - and unflappably, last-minute understudy to feminine lead in her own marvelously entertaining Senior Spring Term Project of "Play it Again, Sam" - all this while winning three consecutive letters in varsity volleyball and climbing forty-three places in class rank during her senior year:

VINCA ERWIN INGRAM of Newbury

THE CUMINGS PRIZE

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in contributing to the welfare of the school.

The Cumings Prize, which has been awarded each year since 1949, was surely conceived with tonight's recipient in mind. In my tenure as headmaster and my days as a teacher at Governor Dummer, many students have contributed to the welfare of the school; none has persevered longer, worked harder, or with more intrepid spirit than he. As a varsity team manager par excellence for eight of his nine terms in school, he has trained a veritable field corps of successors and spoiled forever a whole host of coaches; as Vice-President of the Student Council he was chief architect of the new Community Council, of which he has served as its first President; designer and producer of Washington Week, he has with his family made available to fellow students - and by extension to the school - an invaluable experience; a charter member of the Governor Dummer Honor Society, private pilot to the Development Office, for two years a representative to the Headmaster's Advisory Committee, having served even as Sergeant-at-Arms to the United States Senate, he has out-radared the original Radar:

DANIEL CARROLL CROSS of Washington, D.C.

THE AMBROSE SPEAKING AWARDS

There have been Ambroses connected with the Academy for at the very least a century. I suspect that the Ambrose Prize Speaking Awards date back to the 1890's, when Fred Marden Ambrose was a trustee. Last night three seniors demonstrated the happy outcome of the conjoining of thought with eloquence. They are this year's winners in the competition:

Third: JENNIFER WRIGHT GRAF of Greenland, NH
Second: DAVID J. RYAN, III, of Groveland
First: DANIEL CARROLL CROSS of Washington, D.C.

BAUSCH & LOMB MEDAL

The Bausch and Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

BENJAMIN DAVID FROST of Ipswich

GAFFNEY PRIZE

The Gaffney Prize, established in memory of Robert A. Gaffney of the class of 1940 is awarded to that senior who, in the opinion of the faculty, has been most considerate of the rights, opinions, and sensibilities of others.

The winner of the Gaffney Prize seems to have gone through his whole career at the Academy sensitive to those around him. From student tour guide to membership in the Red Key Society, from Big Brother to a year as the President of his class, from co-Directorship of the French Student Union to summertime volunteer work with child victims of Downs Syndrome, he has never sought public notice, but it has sought him. Recipient of the Peter Marshall French Trophy as a sophomore, of the Hale Scholarship as a junior, of six varsity letters and recognition as first team defensive end of the Independent School League All-Star football squad, he has symbolized unselfish service to those around him and to his school:

PAUL DAVID CARTER of Newburyport

WILMONT ROBY EVANS SCHOLARSHIPS

First given at Governor Dummer Academy in 1979, several scholarships for study in college are made possible through the generosity of the Wilmont Roby Evans Corporation, a foundation established by Florence Evans Bushee of the town of Newbury. They are intended for residents of the Newbury - Newburyport area.

I request that the following four seniors come up as a group to accept notification of assistance toward their college plans in 1981-82.

PAUL DAVID CARTER of Newburyport
MICHAEL WILLIAM DIEHL of Byfield
ROBERT G. GRIFFIN of Newbury
TRACEY ANN MEEHAN of Byfield

THORNDIKE-HILTON CUP

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the Senior Class. With this cup goes a silver medal.

Although most winners of the Morse Flag over the years have been strong students, only twice in the past eight years have the top-ranking scholars in their graduating classes also been the winners of that award. It takes a rare kind of versatility to lead all others in the classroom and to contribute with distinction in many other aspects of the life of the school. By definition, as the recipient this June of both the Morse Flag and the Thorndike Hilton Cup, this young lady has proven herself a member of a most select company. It is her plan for next fall to attend Duke University.

CYNTHIA WOODWARD PFEIFFER of Newbury

BARRISKILL PRIZE

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

As the music program grows here at Governor Dummer and captures more and more interest among musicians and audiences alike, the task of selecting the most outstanding musician becomes more difficult. Adept in many musical idioms, however - including classical, jazz, electronic, vocal, and various popular forms - this year's winner has brought professional presence and style to every concert in the past three years, to numerous convocations and Tuesday night reflections, as featured soloist with the Academy jazz band, the Big Wind, as well as smaller ensembles and Special recitals. She is proof, reincarnated, that the Pied Piper played the flute and possessed lovely flowing strawberry blond hair.

SPECIAL PRIZES

An alumnus of the Class of 1911 at the Academy, father of an alumnus, friend and neighbor of Edward W. Eames for years during the latter's retirement, until their deaths in 1975 within days of one another - and for many years a generous benefactor of the Academy - Milton L. Dodge of Newburyport in his bequest provided for the continuance each commencement-time at Governor Dummer of Special Prizes to be awarded to "members of the Senior Class whose perseverance, courage, initiative, sense of responsibility, loyalty, and/or concern for others have contributed to the strength of the Academy." With gratitude to Mr. Dodge and his family, we award seven Special Prizes.

Leadership has been a mark of the Class of 1981; it has led to two of the strongest years at the Academy on the past decade. In a sense it has characterized the class as a whole; especially it is rooted in the conduct of an unusually large number of individual seniors. The titles which they have held and the honors which they have won are reflections of leadership exercised through the ways in which they have lived their lives in the school. Eight varsity letters, co-captaincies twice in his senior year, All-league recognition, a tough competitor, a generous winner and on those less common occasions of defeat widely respected in losing, strong dormitory proctor, treasurer of his class as a junior, president of his class as a senior, a steady influence for good throughout his three years in the Academy:

ANDREW WILLIAMS MORISON of Peterborough, New Hampshire

I first got to know her best during her year as a member of the student/faculty Discipline Committee, one of the most difficult responsibilities for a student to carry out in relation to her peers. There I came to recognize the depth of her concern for others - and for the school. Since then I have watched her accept the responsibility in Red Key, as a senior dormitory proctor, as assistant director of the fall drama production, and have admired her creativity in key roles for the Academy Players and in both support and featured performances as a singer.

JENNIFER WRIGHT GRAF of Greenland, New Hampshire

Among the most valuable members of a community are those who can be counted on at any time, in any place, under any circumstances: who are consistently strong in loyalty, in dependability, in performance. This first Special Prize recipient has quietly found many ways to contribute most notably perhaps as a tutor and as a dormitory proctor. This ability makes him prominent; his lack of ostentation wins him respect. He has won eight letters spread over varsity football, wrestling, and lacrosse, and served as co-captain both in football and wrestling. His extraordinary record in the latter saw him this year undefated from the Christmas pre-season tournament in December through the New England championships in March; complementing this feat is his almost unbroken record on the academic honor rolls.

JAMES GARY BOSTWICK of East Falmouth

There are those people whom it is just plain pleasant to be around, or have fun to have around. They make few demands; they are givers rather than takers. And if they should excel in any way, they do so quietly and with grace. Excelled - this young lady has: three years in women's varsity soccer, this year in three separate dramatic productions - including one from Chaucer, who would have delighted in her; three years in varsity volleyball, including captaincies for two, and on the Social Committee; three years in women's varsity lacrosse, and a charter member (with so many of the others recognized this evening) of the Governor Dummer Honor Society; Secretary/Treasurer of the Class of 1981, and (and this is a first-time mention of this lively two-year old organization at these ceremonies) a member of the Aegean Society; practically a permanent resident of the Honor Roll, and a member of the Cum Laude Society, she is a true pleasure to be around and fun to have around:

BENAY LISA LAZO of Topsfield

Her roots were already deep in Governor Dummer when she arrived on campus in 1977, for two of her four older brothers had preceded her here with distinction. She has made her own way on her own initiative, however. Always one of the stabilizing influences in her class and always a respected leader in the eyes of students, faculty, and staff alike, she has served as a Big Sister, represented the boarding girls on the Directorate of four seniors for the Peter Marshall French Student Union, and served strongly as one of two senior proctors in Phillips dormitory. In recognition of her community-wide contributions she was last fall elected a charter member of the new Governor Dummer Honor Society. Earlier this evening, with the presentation of the Anne Marie Murphy Athletic Award, her several All-League honors were acknowledged. To all of us here how over the past four years have shared with her in classes, in the dormitories, on the field - anywhere in the life of the school - she is deservedly All-Everything.

SUSAN REBECCA PERRY of Boxford

Her hallmarks have been energy and caring; commitment to a wide variety of responsibilities, mostly in service to her fellow students. She worked three years to make the varsity field hockey team and in that final year was elected its co-captain. She served three years on the Social Committee and then was chosen co-chairman. She was most active as a member of the Red Key Society, the Academy's service club, and then was chosen as one of its two co-chairmen. This spring in addition to her responsibilities in school, she has held an internship at the Newburyport Manor Chronic Hospital, work with all the ill and the elderly which while it can bring satisfaction, has its sad side, too. She bears a name valued in the annals of Governor Dummer Academy; there are 9 others who have come here over the past thirty years who have borne it. We wish there were more of her - and of them.

JOANNE MARIE LEARY of Seabrook, New Hampshire

Imagine a play production without the lighting crew in the booth and the tech crew backstage. Imagine Governor Dummer's sensational jazz band The Big Wind without the rhythm section. Imagine the musical accompaniment for Clarissa's recital last Monday evening without Stephan on drums and Burke with the solid bass. Many good performances would seem flat without the undergirding support of less featured components. So it is with a team; so it is with a school. This next Special Prize winner has symbolized that kind of indispensable contribution throughout his career here. He seldom caught the eye of the general spectator during football games, but the coaches of the ISL selected him All-League. There were flashier players on the ice, but he was recognized by his teammates by their election of him as co-Captain. Mr. Moonves said it perhaps best at the Varsity Dinner last week: "He is a great guy, totally dedicated to his school, his friends, and his teams - a strong leader for all of us" - (Although I personally don't believe that, spotting him forty yard's, Tracy would catch him in a hundred yard dash!)

CHRISTOPHER DAVID TEEL of Reading

UNDERCLASSMEN AWARDS

HARVARD PRIZE BOOK

The Harvard Prize Book, has been endowed by the late Roger B. Coulter, Class of 1913, first winner of the Morse Flag and a former Trustee of the Academy, so that it may be awarded each year in the future. The book is awarded to that member of the junior class deemed most worthy through high scholarship and character.

An indomitable leader both in the classroom and at long distance, whether on the track or cross-country over the snow - and Editor-in-Chief-elect of the Milestone

ANN KINCH ROONEY of West Newbury

WHITTEMORE AWARD

Susan Perry, a senior was the recipient of the Whittemore Prize two years ago. Tonight she has the honor of giving the prize. The Whittemore award is made to a member in the Sophomore class who through attitude and perseverance has made the best contribution to the Academy.

E. MATTHEW WALLENT, JR., of Wilmington

HALE SCHOLARSHIP

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to the student who, through perseverance, has shown the most improvement on the various aspects of school life and has become an esteemed contributor to the well-being of the Governor Dummer community.

Talented, versatile, and energetic, the winner of the Hale Scholarship is:

JILL DEMERI of Georgetown

FRANCIS SCHOLARSHIP

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis, of the Class of 1936. It is awarded each year to a student of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness in the life of the school.

Good-humored, articulate, an excellent student - and Managing Editor-elect of The Milestone:

DAVID ALAN BRACKBILL of Georgetown

RPI MEDAL

The Rensselaer Polytechnic Institute Medal is awarded to a member of the junior class who has been outstanding in the study of mathematics and science during the year.

DAVID CHARLES TRAYERS of Hampton, New Hampshire

COLMAN SCHOLARSHIP

The Edmund Coffin Colman Scholarship is awarded to an undergraduate who has shown proficiency in the study of languages. The holder of this scholarship for the school year 1981-82 will be

AARON LARS HALPERN of Newburyport

INGHAM SCHOLARSHIP

The Ingham Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former Headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able student through the school.

Respected, a solid contributor in every way, with an academic standing at the top of his class:

STEVEN PETER BOYD of Newburyport

THE WILKIE SERVICE AWARD

The Wilkie Service Award in honor of Valleau and Marjorie Wilkie is awarded to a senior whose contributions to the community outside the school have best demonstrated the deep concern, the unfailing sympathy and aid for which Val and Marge are affectionately remembered.

The Community Service Program of the Academy is one in which, although it can involve only a limited number of students, all of us connected with Governor Dummer can take deep pride. Through our representatives working in the Newburyport area we have done much good and made good friends. For example, we have letters of appreciation and commendation from the Newburyport Community Action Agency for student help in the field of consumer protection and energy conservation, as well as praise from local nursing homes and from such organizations as the Newburyport Historical Society. This year's recipient of the Wilkie Service Award, however, has made invaluable contributions to the American Red Cross through his ability to initiate, motivate, and coordinate assignments and muster resources for the Bloodmobile Program, not simply here on Campus, but at the Anna Jaques Hospital and for Essex County. As a result he has received appointment as the youngest intern in the Red Cross Bloodmobile Coordinating Program. For a young man who once confessed - in an eloquent appeal before the entire school for blood donors - that he himself used to go faint at the slightest reference to blood, he has become a veritable guru in blood circles - indeed, I suppose it may be said in blood circulation - to the very real benefit of many whose needs have been truly serious and truly acute.

DAVID J. RYAN, III of Groveland

HONORARY CERTIFICATE

Over the years the English Speaking Union has been especially good to Governor Dummer. In addition to the hospitality which they proffered to Academy students who have - as Dabney Friend will do next year - lived with English families, they have sent to Byfield a succession of truly appealing and talented young men and women who have participated and contributed in the life of the school, each according to his own style, but all generously and enthusiastically: Barbara Riggs, of happy memory, who led our German drama delegation to victory in Connecticut; and James Kennedy, whose role as the gentleman caller in John Wise's "The Glass Menagerie" will be remembered - these are two of whom the memory here today is fresh.

Still none from the past will be remembered more warmly than our guest and friend this year: that rare but valued sort of guest who does not stand on ceremony, but rolls up his sleeves and pitches in with everyone else to do whatever at the moment needs doing.

He has cavorted on our stage in a variety of guises, one of the most memorable being as Fagan from the musical "Oliver," but more than that he performed miracles backstage, investing hours in preparations for last winter's "The Best of Broadway"; he has sung in the glee club and from time to time with various other weird and wonderful vocal combinations; he has chosen to risk life and limb in that primitive native "field game" called lacrosse; an all-star field hockey player in England, where men make that game an art, he switched to play an integral role on last fall's varsity soccer team here, on one occasion literally giving the shirt off his back so that a key starter whose jersey turned up missing could be in uniform.

There is no point in my compounding the obvious. He has given of himself almost as if he were the host rather than the guest. We are proud to know him and grateful to the English Speaking Union for bringing him to us. It is a special pleasure to award him this honorary certificate this morning and to wish him well in his forthcoming career at Nottingham University.

STEPHEN MARK OLDFIELD of Norfolk, England .

Don't look so smug, ya still got 3 more years.

ONE FAREWELL

Handshakes warmer than any time before
Hugs accompanied by heart felt tears
Those previously held apart become
Intrigal friends. With realizations:
Shared life fabrics, borrowed life threads interwoven
A tangled mass of moments; given meaning.
Years of presents, for one instance past.

Times, never to repeat, the colour is warm
Places, not far, never to revisit,
Events, alive in memoriam, never
To relive, the good times are the past times.

Departures made sad from fears of lost touch
Bouyed with benedictions cast unto
Futures yet conceived, sure to be reported.

Handshakes warmer than any time before
Hugs accompanied by heart felt tears.
